OVERVIEW

Large house to renovate, located a short distance from the port and the beach of Cala Canyelles.

Stately villa for sale in Cala Canyelles, Lloret de Mar. It is located just 900 metres from the beach and the town's port.

The house, which is very bright and has high ceilings, is elevated above street level thanks to stone walls. Thus, it enjoys beautiful views both from the garden and from the inside.

The main house is spread over two floors and consists of five bedrooms and three bathrooms.

The property also offers a garage for several cars at street level, which is equipped with a forklift that goes up to the level of the house.

The house has double access: through the main entrance (right next to the parking lot) and through the kitchen. The kitchen entrance is very comfortable, since it is close to the forklift that comes from the garage, as well as the summer kitchen, the tennis court and the laundry room.

On the main floor, where the dining room and kitchen are located, we also find four bedrooms and two bathrooms.

The lower floor houses the master bedroom with its own bathroom and direct access to the garden.

Just below the tennis court we have a play and rest area on two levels that could easily be converted into two floors, since it has enough space and direct access to the garden.

In the upper part of the property, somewhat above the house and the tennis court, we have a summer dining area kitchen with a barbecue and a huge table. This area enjoys excellent panoramic views and shade.

Finally, it should be noted that there is the possibility of acquiring a mooring in the same port of Cala Canyelles.
