### OVERVIEW

**Exclusive house with sea views for sale in the beautiful bay of Portlligat, right in front of the Salvador Dalí House-Museum and 2 steps from the beach.**

With an architectural style typical of the well-known fishermen's houses and located next to the famous House-Museum of the artist Salvador Dalí, we find this fantastic home renovated with great taste and with great attention to detail.

The house has on the ground floor a living-dining room and an open kitchen, a bedroom with access to a small patio, a bathroom and a multipurpose room.

On the upper floor, which we access via an internal staircase, we find a second living room with a large fireplace and access to a charming covered terrace with views of the sea and the Dalí House-Museum. Next, there is a double bedroom, a complete bathroom, a dressing room and another room that is currently used as an office. On this same floor, we find a cosy interior patio with its summer dining room and barbecue, ideal for meeting friends and enjoying pleasant gatherings.

Crossing the patio, we access the upper part of the house, where we have a fantastic terrace-solarium with enchanting views of the Salvador Dalí House-Museum and Portlligat Bay.
