Excellent 11-bedroom house for sale in Begur, Costa Brava

Beautiful spacious villa located above Sa Riera, offering a magnificent view of the sea and the Medes Islands, with 11 double bedrooms and a swimming pool.

Just 2 km from the beach of Sa Riera and 800 metres from the magnificent historic centre of Begur, we find this magnificent property built in 1980 in the heart of a pretty wooded park.

The villa offers exceptional views of the sea, the Medes Islands and Cap de Creus. Thanks to its large garden, it also offers its occupants a lot of peace and privacy.

The property consists of two separate buildings:

The main house where we find a large fully equipped kitchen with access to the garden and a terrace which is used for lunch, a large dining room and a living room with a fireplace which opens directly onto a magnificent porch with dining room, sitting area, a barbecue area, a gymnasium and a separate bedroom.

The night part of the main house consists of 4 double bedrooms with private bathrooms. In the basement of the house, we find a large garage for two cars.

Next to the main house is the guest house which consists of 6 double bedrooms, 3 bathrooms and a pleasant living room-kitchen with access to a sunny terrace. This home has its own two-car garage as well.

The property benefits from a magnificent lush garden in which there is a large 5 x 12 saltwater swimming pool and a jacuzzi.

For the greater comfort of the residents, the villa has air conditioning in most rooms, heating and an alarm with motion detectors.

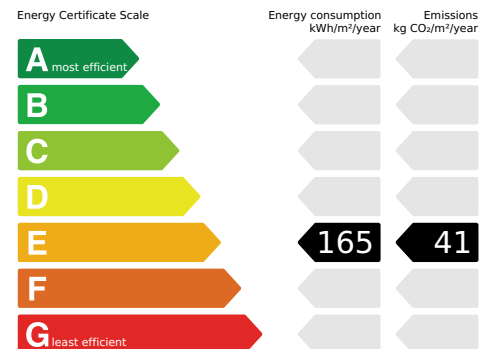

A few minutes from the house, we find all the services and some of the best restaurants in the area.
