OVERVIEW

House of 310 m², to reform, with south orientation and beautiful views for sale just 1 km from the center of Begur and 1.5 km from the beautiful cove of Sa Tuna.

Lucas Fox presents this house to reform with great views of the sea and the mountains, just one kilometer from the center of the beautiful medieval town of Begur, in a very quiet and green street.

The house sits on a 1,160 m² plot facing south, so it enjoys the sun at any time of the year. 1.5 kilometers away is the Sa Tuna cove, one of the most beautiful on the entire Costa Brava.

The house is distributed over three floors: two of them were designed as independent apartments with their own entrances, bedrooms, living rooms and kitchens.

On the ground floor and with direct access to the garden, we find a diaphanous area pending distribution. The house also has an independent study and an outdoor parking area.

There is a project for its renovation and plans can be ordered without obligation.

Do not hesitate to contact us for more information about this home with great potential, as a second home and/or as an investment project.
