€2,200,000 House / Villa - Sold

## Modern villa with sea views for sale in Tamariu

**Modern villa with infinity pool and panoramic views of the sea and the mountains located in a residential area of Tamariu.**

This luxurious designer villa with panoramic views of the sea and the mountains is located between the towns of Tamariu and Fornells, surrounded by nature.

It is a large and modern house, built at the end of 2017, which receives natural light throughout the day thanks to its unbeatable location.

The house was built on a hill, taking advantage of its natural shape, and this has influenced the design of some of the rooms.

The property is distributed over 3 floors.

The ground floor consists of a cellar and a garage in which one of the mountainsides has been used as a wall, integrating nature into the space.

The first floor houses a living room with a home cinema. It has a glass wall, with an illuminated base, which faces the mountain and allows you to appreciate its rock formations. On this floor, we find five bedrooms, three of which are en-suite bedrooms and two that share a bathroom. It also has a laundry room.

Finally, on the upper floor, we find the living-dining room with a fully equipped open kitchen and access to the terrace. In addition, we have an en-suite bedroom and a guest toilet which complete the house.

The exterior offers several terraces, a chill-out area where you can relax with friends and family, and an impressive infinity pool with panoramic views of the sea.

The house was built with high-quality materials and equipment, including appliances, LED lighting throughout the house, double-glazed windows and an air conditioning system in each of the rooms to ensure your comfort at any time of the year. It is also equipped with a lift and an alarm system, which adds additional tranquility.

Without a doubt, it is a perfect villa for those looking for a spacious home where you can enjoy the sunsets from any terrace or room. An unbeatable home for those who appreciate living comfortably throughout the year.
