This magnificent property is located on a spectacular beachfront plot in the exclusive residential complex of Cala Sant Francesc, just south of the Costa Brava and belongs to the pretty coastal town of Blanes on the Costa Brava.

The property is distributed over three floors and sits on a large plot of just under 930 m². All this with magnificent views of the sea and total privacy. In addition, the house offers a private spa that allows you to take well-being to the next level and enjoy rest and treatment sessions in a private area.

You can access the property in two ways. On the one hand, we can access it from the garage, which has enough space for two cars, and is leads to the property by a lift that connects to all floors, as well as by stairs. The second entrance is at the main door that leads to the ground floor.

On the first floor, we find four bedrooms. The main bedroom occupies the largest area, since it has large dimensions both in the bedroom itself, and in the dressing area and the complete bathroom with shower and bathtub. We continue with two other bedrooms that are joined by a large bathroom. The last bedroom on the floor also has its private bathroom.

On the upper floor, we have another bedroom, it is the only one on the floor and has access to the terrace with a large solarium for personal use, as well as a bathroom with a jacuzzi and panoramic views.

All floors are connected to each other by a lift, from the garage to the top floor.
