OVERVIEW

Newly built 3-bedroom apartment with 25m² terrace and sea views for sale in Palamós, Costa Brava

Fantastic new build development in the Port Marina area of Palamós, a few steps from the beach and the port of this attractive coastal town.

The development consists of nine apartments spread over three floors; six of them enjoy wonderful views of the sea and two of the penthouses have a terrace-solarium and a private 18 m² pool, all with high-quality finishes.

The apartments benefit from a modern design in neutral tones that is very welcoming, as well as large windows that maximize the entrance of natural light. They have open spaces, such as the living-dining room with the open-plan kitchen that makes the most of the space and provides a greater feeling of spaciousness. They will have three or four bedrooms, including the main bedroom with a private bathroom.

The houses have porcelain floors imitating stone in different formats and joint breakers in the day areas. In the night and transit areas, the flooring is microcement with a matt microrustic finish. The finish of the coverings in areas and bedrooms is whitewashed paint. Meanwhile, in the bathrooms, there are porcelain tiles in blue tones, in 10 X 10 or 10 X 30 format. The kitchen is equipped with a Neolith Dekton model countertop and front, matt lacquered doors and drawer fronts, exposed shelves with solid oak wood and Bosch/Siemens or similar appliances. For a better aesthetic, it has natural varnished oak paneled carpentry in the dining room area.

The option of acquiring a parking space is offered for €35,000 per space, in the closed garage located in the same basement of the development.

These homes are ideal as a first or second residence, as well as representing a good investment opportunity.
