OVERVIEW

Exceptional modern villa with magnificent sea views for sale in Martossa, one of the most exclusive residential areas on the Costa Brava.

In a quiet private residential area, on top of the impressive cliffs of the Costa Brava, stands this extraordinary property. The villa, conceived by the renowned Catalan architect Josep Maria Bosch Aymerich, masterfully blends contemporary Bauhaus aesthetics with the natural environment. It seems to defy gravity as it rises above the cliffs and the sea, offering endless and captivating panoramic views of the Mediterranean Sea, the picturesque coastal town of Tossa de Mar and the beautiful coves of the Costa Brava.

The property, with a built surface area of 601 m², blends perfectly into its setting. Upon entering the villa, we find a spectacular living room which is spacious and bright, as well as the sublime main bedroom. Both spaces have generous windows, which extend along the entire façade and open towards the sea. The modern kitchen, the two additional bedrooms, the outdoor cinema and the sophisticated sound system, equipped with 43 speakers strategically distributed throughout the property, are just some of the exquisite features offered.

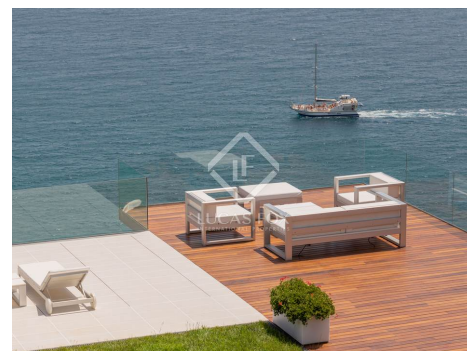

In addition, the villa offers an impressive viewpoint, a cosy wine cellar and a modern and fully equipped office suspended on the cliff, from where you can enjoy incredible views of the sea. A lift leads to the different floors of the property.

In the contemporary-style outbuilding, you will find a splendid outdoor bedroom area, which blends harmoniously with the beautiful and spacious garden. There, it benefits from a spectacular heated infinity pool and a chill-out area. Likewise, the annex has an additional apartment for guests, with large terraces, as well as two bedrooms with private bathrooms. The property is completed by a summer kitchen equipped with a barbecue and an outdoor dining room area.

The villa also has a garage with capacity for four cars.

The unique architecture and the privileged location make this property an enviable home, destined to appeal to those seeking an exceptional residential experience.
