OVERVIEW

Fantastic apartment with terrace, sea views and communal pool for sale in Cap Sa Sal, just a few metres from the beach.

In the Cap Sa Sal residential complex, we find this apartment with incredible sea views. The apartment is located in a unique location, just a few meters from the coast and the emblematic coves of Sa Tuna and Aiguafreda. The community has a communal garden and pool and has direct access to the coves of Cap Sa Sal.

The apartment is located on the second floor of the building and has a southeast orientation, meaning it receives natural light throughout the day.

Upon entering the apartment, we find the living-dining room with large windows that provide plenty of light and a fully equipped open kitchen. From the living room, we access the terrace with incredible views of the sea and the mountains. The apartment has two large bedrooms with private bathroom and dressing rooms. The bedrooms have access to the terrace and offer sea views. A guest toilet completes the property.

The property includes appliances, double-glazed windows and an air conditioning and heating system for total comfort at any time of the year.

The apartment also has a private parking space.

In summary, this property would be ideal as a second home for families, although it also represents an attractive option for investors, given the high demand that the Costa Brava receives during the summer months.
