€1,490,000 House / Villa - For sale - New listing

Traditional and fully renovated beachfront 4 Bedroom fisherman's house in Sa Riera, Begur

Traditional and fully renovated, beachfront and seafont, 4 Bedroom fisherman's house, with closed garage, in Sa Riera, Begur

Set directly on the seafont in the highly sought-after bay of Sa Riera, this exceptional beachfront fisherman's house represents a truly unique opportunity to acquire a fully renovated property with direct access to the beach and the sea in one of the most iconic locations on the Costa Brava.

This charming semi-detached corner house was completely renovated just a few years ago by one of the area's most renowned local architects, combining high-quality contemporary comfort with the authentic character and warmth of traditional Costa Brava architecture.

The property enjoys a comfortable and practical layout distributed over two floors, plus an additional loft space, making it ideal both as a holiday retreat and as a year-round residence.

On the ground floor, the house offers a spacious closed garage with capacity for two cars, two double bedrooms, a complete shared bathroom, a dedicated laundry area, and additional built-in storage cabinets at the entrance.

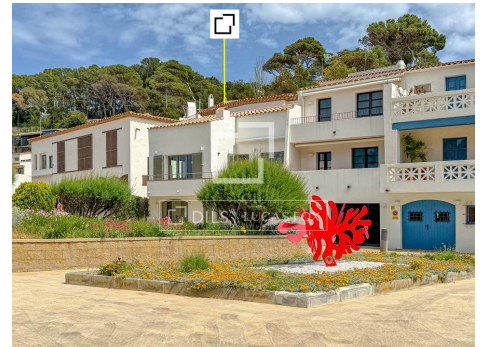

A staircase leads to the main living floor, where we find a bright and spacious open-plan day area designed to fully embrace the spectacular seafont setting. The elegant open kitchen connects seamlessly with the generous living and dining area, complete with fireplace, while large windows flood the entire space with natural light and frame stunning panoramic sea views from every corner.

From this floor there is direct access to a large and comfortable terrace, perfectly designed for outdoor dining, relaxation, and enjoying the exceptional Mediterranean surroundings just above the sea.

This level also features two additional spacious double bedrooms, both exterior-facing, along with a complete bathroom.

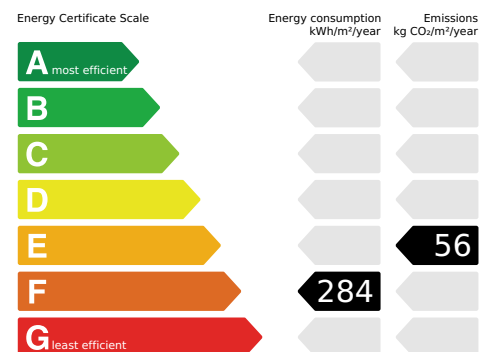

Above the main floor, the property benefits from a versatile loft area that can easily function as an additional sleeping space, TV or cinema room, games area, office, or cosy relaxation zone.

The renovation included all installations and technical elements, including heating and air conditioning systems via splits, electricity, plumbing, windows, flooring, and insulation, all executed with excellent quality materials and careful attention to preserving the authentic local style and atmosphere.
