€4,950,000 House / Villa - For sale - New listing

Exclusive luxury villa in Sa Riera with endless Mediterranean views, 5 suites, heated pool, and maximum privacy.

Spectacular contemporary villa in the heights of Sa Riera with stunning sea views, 5 elegant suites, heated pool, jacuzzi, exceptional finishes and absolute comfort in one of the most exclusive areas of the Costa Brava.

In the exclusive heights of Sa Riera, in one of the most coveted locations on the Costa Brava, is this extraordinary contemporary property completed in 2024, a unique residence that combines modern architecture, absolute privacy and simply incomparable panoramic views.

Located just a 15-minute walk from Sa Riera beach and a 5-minute car from the charming centre of Begur, the property enjoys a privileged setting with open views that stretch from Sa Riera bay to the Medes Islands and Cap de Creus.

Designed with exquisite taste and built with the highest quality materials and finishes, the house offers an exceptional experience of comfort and luxury in every detail.

The property is structured around spacious, seamlessly connected indoor and outdoor areas. Exterior, there are two distinct environments: a spectacular terrace designed as a summer dining room and chill-out area with a jacuzzi, ideal for enjoying unforgettable moments with family or friends while gazing at the Mediterranean; and, on the other hand, an elegant pool area surrounded by complete privacy.

The interior stands out for its refined living room bathed in natural light thanks to an immense glass door that integrates the landscape into the heart of the property and connects directly to the pool area.

The day area is completed with an elegant open kitchen and a dining room fully oriented towards the surroundings and views.

Each space has been designed to maximize the feeling of spaciousness, light and connection with the sea.

The house has five magnificent en suite bedrooms, all with stunning sea views and top-quality finishes.

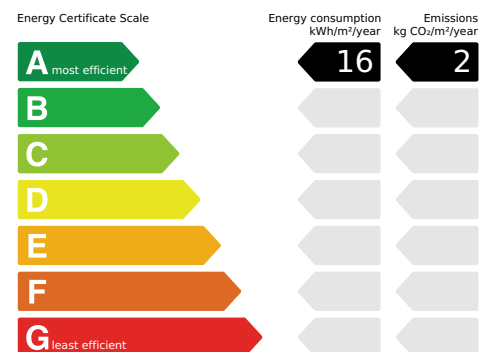

Among its features, the following also stand out:

- Elevator
- Underfloor heating throughout the property
- Aerothermics heating and air conditioning system
- Solar panels for hot water with two 500-liter tanks each
