Elegant renovated house with sea views and terrace just steps from the beach in Cadaqués

Completely renovated house in a quiet residential area of Cadaqués, just steps from the beach and the coastal path. Very bright, with a terrace and sea views, quality materials, and private parking for two vehicles.

Located in a quiet residential area of Cadaqués, just steps from a beautiful beach and the iconic coastal path that connects directly to the town centre, this property offers a perfect blend of comfort, design, and Mediterranean surroundings. Beautiful sea and coastal views can be enjoyed from various points throughout the house.

The property has been completely renovated with great taste and designed for daily enjoyment, opting for functional spaces, high-quality materials and excellent natural light on all floors.

On the ground floor, there is a space currently used as an additional bedroom, with a private bathroom and direct access to the pleasant front patio. The laundry area has also been integrated discreetly and conveniently on this same floor.

The first floor houses the main bedroom area, comprising a suite with an en-private bathroom, access to a balcony, and pleasant views. In addition, this floor includes an extra double bedroom and a second full bathroom.

The upper floor houses the day area, probably one of the most special spaces in the property. It's a spacious, bright, and welcoming environment with an open-plan kitchen and living-dining room that access directly onto a fantastic terrace overlooking the sea and the beach located in front of the property.

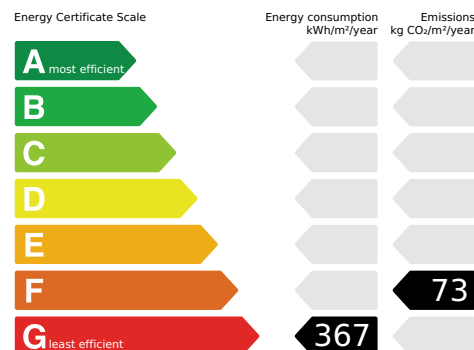

At street level, the house also has a private exterior parking area with space for two vehicles and motorcycles.

This is a very well-maintained, comfortable and functional property, ideal both for enjoying on holidays and for living year-round in one of the most beautiful locations on the Costa Brava.
