OVERVIEW

Excellent condition 3 bedroom house in the charming village of Age

The houses have three floors with stone walls. On the ground floor we find a living-dining room with a fireplace, a fully equipped kitchen, a very generous courtesy bathroom and a utility area.

The first floor has 2 double bedrooms and a very comfortable TV room that can be converted into a third room. It also has a complete bathroom with a stone-walled shower that gives it great character and reminds us of the building's bygone days.

In the area below deck we find a very charming suite, a dressing room and a very spacious bathroom. The shower is located under the fantastic Cerdanya sky thanks to a generous Velux roof window that provides great clarity.

The house is equipped with gas heating, sectorized by floors to obtain the highest level of comfort and with a home automation system to make life as easy as possible for its new owners.

The house looks out onto a private garden with a private entrance.
