OVERVIEW

Cantonera townhouse in La Cerdanya

Corner townhouse in a beautiful residential area in the town of Bor.

With incredible views, this property is distributed over three comfortable floors that we describe below.

On the underground floor , there is a very large garage and storage room, from where we will directly access the property.

On the ground floor, we are welcomed by an open space shared by a large living-dining room, a fully equipped kitchen and a fireplace that provides warmth and creates a cozy atmosphere typical of a mountain place. From here, direct access to the porch of the house, where you can enjoy and feel the exterior contact and access the community garden .

This floor is completed with a double bedroom and a bathroom with shower.

On the first floor , we find two double bedrooms, a bathroom with a bathtub and a large open-plan multipurpose room.

A charming and functional property, which meets all the requirements of that dream second or third residence.
