OVERVIEW

A new build development of four homes in La Cerdanya, Spain

Development of new build in the town of Bor, Bellver de Cerdanya.

Construction of four semi-detached houses on an area of 2,047m2.

It is characterized by its high quality materials and its perfect integration into a natural environment so as not to hinder the landscape.

This linear design differentiates it from the rest of the properties since it seeks to make maximum use of a good orientation and thus obtain optimal performance in energy efficiency.

This property called H2, contains a constructed area of 154.16m2

In the plans you can see that it consists of three bedrooms, one of them with an en-suite bathroom . Two bathroom, kitchen- dining room, living room, space for laundry area and garage.

Garden and green spaces that surround it to make this house the house of your dreams.

The price of each property starts at €576,000 depending on the location and characteristics of each specific property.
