OVERVIEW

New build house for sale in La Cerdanya.

Lucas Fox presents this new build house in the town of Bor, Bellver de Cerdanya. The house is part of a development of four semi-detached houses on an area of 2,047 m².

This specific house, H4, has an area of 121.23 m². It differs from the rest of the homes, as it has an excellent orientation, being located on the corner of the residential area.

The house has high quality materials and integrates perfectly into a natural environment. In addition, it offers great energy efficiency.

Its layout is different from the others, as it has two floors, as can be seen in the plans. On the ground floor, the living-dining room and kitchen are offered in an open space. Next, there is a double bedroom, a bathroom and lobby, in addition to the garage. On the first floor, the property is completed with two bedrooms and a bathroom.

Exterior, there is a garden and green spaces that surround it.
