OVERVIEW

Duplex for sale in Cerdanya

Duplex for sale in an emblematic building from 1975 in La Molina town, going up to the ski resort, just 5 minutes from the slopes.

This recently renovated duplex is located on the fifth floor . It has an lift to facilitate access. It also has an unassigned parking space inside the building and a small closed wardrobe to store skis.

Upon entering this duplex we find a small entrance hall with a window with mountain views and stairs that give us access to the rest of the property.

We go down those stairs and we find ourselves directly in the bedroom area made up of a double room with a large exterior window. built-in wardrobes taking advantage of the interior space of the stairs.

A hallway leads us to the full bathroom with a shower and the second room, furnished with bunk beds and a wardrobe.

The main space, where we will carry out daily life, comes next with the living room and kitchen, as well as a dining room. As a curiosity, we found this kitchen hidden in a practical piece of furniture so that it can be collected when not in use. Passing this large living room, we finally reach the dining room area, located in a glass area that provides us with luminosity and connects us with a natural space full of light. From here the view of the mountains is spectacular.

Heating is gas central and its cost is included in the community, as is water.

This community has several communal areas at the service of the owners.

A concierge is always at the service of the building's users.

The apartment has a constructed area of 61m2 and 44m2 useful interior.
