OVERVIEW

Detached house for sale in the French Cerdanya

La Cabanasse. We present this magnificent chalet located in a quiet and residential area, ideal for enjoying direct contact with the mountains. Upon entering, we are greeted by a large and beautiful open space where there is a living room with a fireplace, perfect for relaxing on cold nights, a dining room and a kitchen that invites you to share special moments with family and friends.

On the same floor, you will find a cozy bedroom and a bathroom with a separate toilet. Going up to the first floor, we complete the bedroom area with two bedrooms as well as a charming corridor that opens onto the living room, creating a bright and welcoming atmosphere.

On the garden level, there is a garage area with space for various storage, as well as a study area that includes a bedroom, a bathroom with shower and a small kitchen (with height less than 1.80 m), ideal for receiving guests or as an independent space.

A lovely terrace, accessible from the living room, could not be missing. It faces south and offers lateral views of the mountain. It is the perfect place to enjoy a morning coffee or a dinner at sunset. This chalet is, without a doubt, a place where you can create unforgettable memories.
