Excellent 2 Bedroom apartment for sale in La Cerdanya, Spain

Cozy two-bedroom apartment with plenty of natural light, open views, parking and storage room in Alp.

In the charming municipality of Alp, this attractive new build apartment stands out for its extraordinary brightness, pleasant views, and carefully crafted contemporary mountain aesthetic.

Located on the first floor of a building with an elevator, the property offers approximately 74 m² of living space and a functional and comfortable layout . The day area is surprisingly spacious and flooded with natural light, thanks to its large windows, which also provide open views of the surrounding natural environment.

The living-dining room, with its integrated open-plan kitchen, creates a modern and welcoming space, ideal for both everyday life and leisure time. The high ceilings with exposed wooden beams are particularly striking, adding character, warmth, and a sense of spaciousness that is highly valued in mountain homes.

The night area has two bedrooms with built-in wardrobes, one of them also with pleasant views, and a full bathroom that serves the entire property.

It comes equipped with appliances: refrigerator, dishwasher and washing machine, ready to move in.

The property also includes a parking space and storage room in the same building.

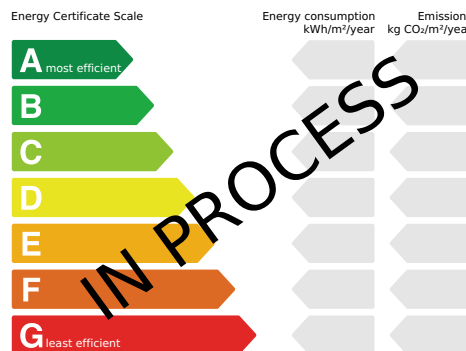

The residential complex features communal garden areas and offers a unique differentiating value: direct access to the forest from the rear, allowing you to enjoy walks and outdoor activities in the heart of nature, without the need for travel.

An ideal property for those seeking a bright, charming retreat with a direct connection to the natural environment in the heart of Cerdanya.
