**A new development of Apartments for sale in Eixample Right, Barcelona**

Consell de Cent 550 is an exclusive new build that redefines urban living in one of Barcelona's most promising areas . Located between the iconic Eixample district and the innovative 22@ district, it combines a prime location with contemporary architecture designed to offer comfort, functionality, and well-being every day.

The project, designed by TAC Arquitectes, features a carefully curated selection of two-, three-, and four-bedroom apartments, designed to suit different lifestyles. Their layouts optimize space and maximize natural light thanks to large windows and private terraces, creating bright, elegant, and inviting interiors.

Among its main attractions is the exclusive rooftop pool, a space designed for relaxation and enjoying the open views of the Barcelona *skyline* . Furthermore, the building's tranquil courtyard provides an atmosphere of privacy and calm, offering a perfect balance between the energy of the city and the comfort of a home designed for enjoyment.
