OVERVIEW

A new development of Apartments for sale in Eixample Right, Barcelona

Lucas Fox presents Córcega Sardenya, an exclusive new construction development in the heart of Barcelona's Eixample, specifically, next to the Sagrada Familia. It is a quiet residential area, with all kinds of services, as well as tourist attractions, green areas and an excellent connection with the rest of the city.

The apartments are located in a completely new five-storey building with an elevator that connects all the floors. In total, there are eight apartments and two penthouses with terraces, so there are only two neighbors per floor for the peace of mind of its residents.

The two-bedroom apartments benefit from a modern design, with straight lines and colors in light and neutral tones that give an excellent feeling of spaciousness to the space. In addition, to improve the fluidity of the space, they offer open-plan rooms, such as the day area, with the living room, dining room and kitchen in a single open room.

They also enjoy large windows that allow the entry of abundant natural light and excellent views of the streets of Eixample in Barcelona. Finally, they are offered with a fully equipped kitchen with the best qualities.
