### OVERVIEW

## A new development of 2 and 3-bedroom apartments for sale in West Malaga, within a gated complex with a communal garden and pool.

Célere Delmar is located in the Cala de Mijas neighbourhood, strategically placed halfway between Malaga and Marbella. Just minutes from the beach and a 10-minute drive from the airport, it is the perfect base in the Costa del Sol.

This completely gated residential community offers 26 homes with 2 or 3 bedrooms in a charming Mediterranean complex with landscaped areas and a communal swimming pool with a night lighting system.

The bright, airy homes are arranged on the ground, first, second and top floors and each come with a garage parking space and a storage room, located in the basement.

The orientation of the building has been designed to ensure that the maximum number of apartments enjoy sea views and all benefit from abundant natural light that pours in through large windows.

The apartments feature a tasteful neutral aesthetic with modern conveniences such as air conditioning via ducts, kitchens fitted with an electric oven, glass ceramic hob, extractor hood, refrigerator, washing machine and dishwasher and the building has been given a B level energy rating, meaning that energy consumption costs are low.

Please contact us for further information regarding this great new development in West Malaga.
