# Design Hills Marbella Apartments, Sierra Blanca, Costa del Sol

## A new development of Apartments for sale in Sierra Blanca, Costa del Sol

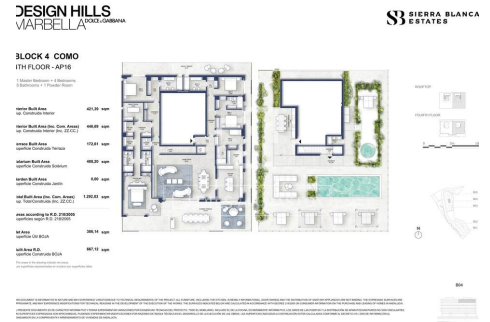

Located on Marbella's prestigious Golden Mile, Design Hills Marbella by Dolce & Gabbana represents a new dimension of contemporary luxury on the Costa del Sol. This iconic residential project was conceived in collaboration with the renowned Italian fashion house Dolce & Gabbana, merging its unmistakable aesthetic identity with cutting-edge architecture deeply integrated into the Mediterranean landscape.

Located on a gentle hillside approximately 600 meters above sea level, the complex enjoys panoramic views of the Mediterranean Sea and the iconic La Concha mountain. Its elevated position guarantees privacy, tranquility, and expansive views, while remaining just minutes from renowned landmarks such as Puente Romano, Marbella Club, and Puerto Banús.

The community comprises five contemporary buildings surrounded by landscaped gardens, water areas, and infinity pools, creating an atmosphere of serenity and exclusivity. The residences, available in 3- and 4-bedroom configurations, offer interior spaces starting at 236 m<sup>2</sup> and total construction areas starting at 326 m<sup>2</sup>, all designed with exceptional attention to detail.

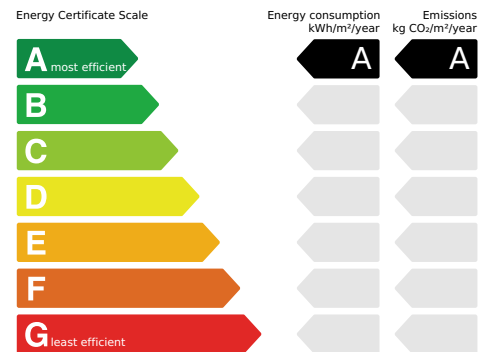

The interiors reflect the creative essence and aesthetic philosophy of Dolce & Gabbana, where light, fine materials, and Italian craftsmanship combine to create elegant and timeless spaces. The homes can be purchased with exclusive furniture designed by Dolce & Gabbana, providing a complete and cohesive brand experience; however, the buyer has complete freedom to choose another interior design or customize the furniture according to their preferences.

The project is complemented by an unprecedented range of amenities: a signature spa and wellness centre, indoor and outdoor sports facilities, yoga and Pilates studios, paddle tennis courts, and a 5x5 football countryside. The private residents' club includes designer lounges, a wine cellar, a cigar lounge, coworking spaces, and event areas, as well as gourmet restaurants, exclusive boutiques, and family-friendly leisure areas. Scheduled for completion by the end of 2028, Design Hills Marbella sets a new standard for luxury living on the Golden Mile.
