choosing a home here. The horizontal streets are the quieter ones while the perpendicular streets are interesting if the apartment is south facing as it will enjoy sun all day. The most coveted streets are Carrer Paris, Córsega and Rosselló after Rambla Catalunya, Enric Granados. Passeig de Gracia is possibly the most prestigious address one can boast in Eixample but is a luxury available only to a fortunate few.

International and national clients typically seek at least 2 bedrooms in their primary residence, pied-a-terre or future investment to rent in Eixample. There is no doubt that Eixample is a star location for international clients looking to buy real estate, usually seeking properties that are just a short walk away from the tourist sights, markets and the world famous 'Ramblas'. Here national clients are in the minority and tending to purchase property closer to Avinguda Diagonal.

Born

The trendy Born neighbourhood of Barcelona is widely considered to be the most charming area of Ciutat Vella. Its labyrinth of pedestrian streets with many bars, trendy restaurants and fashionable shops make it a fantastic place to live. What's more, it is very close to the Ciutadella Park and the beach but at the same time it borders the Eixample district. The typical property search in this area focuses on tastefully renovated apartments of approximately 120 m², preferably with original period features. Also available are properties that boast good sized terraces for outdoor dining and a surface area of 160 m² or more. The Born is a superb location for a pied-a-terre in the city or for investment.

Gracia

In the Gracia neighbourhood clients typically seek 2-bedroom apartments in stately buildings, ideally with a terrace and lift. Gracia appeals equally to national and international clients, though the international buyers tend to be established residents that know the city well. Many are attracted to the bohemian and artistic vibe of Gracia and the ideal balance of proximity to the city centre and the smaller neighbourhood lifestyle offered here.

Beautiful 2 & 3-bedroom apartments and a penthouse for sale in Eixample Right, Barcelona.

Our typical clients in Gracia include single professionals, students or young couples buying their first home, as well as investors looking to take advantage of the high rental yield in this area of the city.

The Gothic Quarter

In the Gothic quarter of Barcelona Old Town both newly renovated apartments and properties for the client to renovate themselves are in particular demand; the latter more commonly in the case of investors.

It is evident why Barcelona Old Town property is so popular: charming historical streets and buildings, excellent dining and endless independent boutiques, as well as the beach and the city centre on your doorstep and excellent public transport links around town. Our real estate in **el Gòtic** provides the opportunity to own a piece of Barcelona's history and enjoy an unbeatable central location in a landmark European city.
