A new development of Buildings for sale in Eixample Right, Barcelona

OVERVIEW

A new development of 2-bedroom homes and studios for sale in Eixample Right, close to the Sagrada Familia

Dos de Maig-Mallorca is a new development located within an apartment block in Barcelona's Eixample Right area, very close to the magnificent Sagrada Familia church by Antoni Gaudí.

The apartment block was built in 1975 and has 8 levels above the ground floor level, the first 2 of which are currently designed as offices and to be converted for residential use.

These two floors with offices cover a total built surface area of 1,035 m² + 75 m² of terraces and the project suggest converting the space into six 2-bedroom homes of between 90 m² and 120 m² each, 2 of them with 37.5 m² terraces, and 2 office-studios (57-70 m²).

These homes will be equipped and finished to a high level, with features such as natural wood flooring, wood and porcelain wall cladding, air conditioning through ducts and an arothermal energy system.

Bright, neutral colour schemes and abundant natural light complement the contemporary luxury character of these properties and make them an ideal new home that only requires your personal belongings to make it home.
