OVERVIEW

An excellent opportunity to purchase an outstanding new development property in the heart of the city of Vigo with twelve units and fantastic location.

This is a new development of 8 standout apartments and two penthouses for sale in the city of Vigo, within walking distance of all services.

It is in a building that will undergo a complete renovation incorporating the latest trends in materials, insulation, installations, and domestic comfort with a highly efficient underfloor heating system and a fully equipped kitchen with top-of-the-range appliances.

The building is located in an elevated area and therefore the apartments enjoy some of the best views of the city and the estuary with a favourable orientation allowing for abundant sunlight throughout most of the day.

There are 8 stunning apartments with three bedrooms and two bathrooms, or with two bedrooms and two bathrooms. The two penthouses have one bedroom and one bathroom.

This project, carried out by renowned architectural firm Villace & Cominges, is planned to be finished in the second quarter of 2024.

Do not hesitate to get in touch with Lucas Fox for more details.
