OVERVIEW

ELLE Residences: a new development in Edgewater, Miami.

ELLE Residences redefines luxury living with an exquisite collection of 180 residences spread across 25 floors, situated in the vibrant Edgewater neighbourhood. Inspired by 80 years of trendsetting fashion and design, these one- to two-bedroom homes range from 137 to 257 sqm and are fully finished, perfectly furnished, and ready for you to move in.

The design of ELLE Residences draws inspiration from the pages of ELLE Decor, seamlessly blending mid-century modern and contemporary French chic with a splash of tropical luxury. Thoughtfully crafted floor plans feature high ceilings and breathtaking water and skyline views, while top-floor Grande Suites offer an impressive 11-foot ceiling height. Each residence is adorned with floor-to-ceiling impact windows and doors, sleek kitchens outfitted with a Miele appliance suite, imported Italian cabinetry by Italkraft, exquisite quartz countertops, and French-inspired chevron-pattern wood flooring.

Residents enjoy an array of curated luxury amenities designed for effortless living. ELLE Residences serves as your lounge, café, rooftop club, and gathering space. The resort-style deck, inspired by the French Riviera, features two stunning pools with north-to-south exposure, private cabanas, and a gourmet summer kitchen with bar seating. Additional recreational offerings include an outdoor cinema, shuffleboard, and bocce courts (bowls), complemented by a state-of-the-art gym and wellness facilities that include a spa with a sauna, steam room, experience shower, and salt wall.

Convenience is paramount at ELLE Residences, which offers a grand double-height lobby, guest check-in services, valet parking, and 24-hour concierge and security. Enjoy on-site dining options at the café and restaurant, boutique retail, high-speed Wi-Fi, and easy access to management services, mail and package handling, and bicycle storage.
