OVERVIEW

Introducing Golfside Villa 7 at Finca Cortesin. This stunning home stands out for its delicate curves and arches, attracting everyone's interest.

Designed by Vicens & Ramos architects, this futuristic villa seamlessly integrates with its surroundings. The ground floor features all living spaces, while the upper level boasts a dome-like entrance and a spiral staircase.

Abundant windows and glass sliding doors blur the boundaries between indoor and outdoor spaces. The villa's garden showcases an oval pool surrounded by a verdant grassy area. With breathtaking views and a prime location in the renowned Finca Cortesin Resort, this exceptional villa offers an extraordinary retreat.

Let's take a journey to a home that feels like a daily escape into nature. This lovely villa, nestled among beautiful tropical plants, offers a warm welcome from the moment you arrive, with a covered parking space ready for two cars.

The adventure begins on the ground floor. Here, a wrap-around balcony presents stunning 360° views that capture the essence of beauty — mountains, a golf club, and the vast sea; every glance reveals something wonderful.

Descending the stairs, which bring a unique charm to the home, you find the heart of the villa. There is a comfortable bedroom and a larger bedroom, both with their own bathrooms, ensuring privacy and comfort. The kitchen extends into a pretty patio, blending indoor comfort with the freshness of the outdoors.

On the other side, a spacious living room boasts a large window that frames incredible views, alongside two more rooms for family or guests. The main bedroom enjoys its own little outdoor nook, adding a personal touch of tranquility.

Outside, the large garden and a swimming pool that wouldn't be out of place in a holiday brochure make this home truly special. With its unique architecture, this villa isn't just a place to live; it is a retreat, a space where every day is an opportunity to enjoy life a little more.
