Excellent 4 Bedroom cortijo for sale in Altos de Estepona with breathtaking Africa views.

Andalusian elegance in a beautiful villa surrounded by mature gardens and stunning views only minutes from the center of Estepona.

Perched on the hills of Los Reales, just above Estepona, this charming family villa blends traditional Andalusian character with modern comfort.

Its elevated position offers sweeping views stretching from Gibraltar to the west to the dramatic Sierra Bermeja mountains to the north. The neighborhood is a mix of year-round Spanish residents and international homeowners, each enjoying spacious plots with lush greenery that provide privacy while still fostering a welcoming sense of community.

This single-level villa has a practical, flowing layout yet showcases the authentic charm of a country retreat. Details such as vaulted and beamed ceilings, rustic stonework, and decorative wrought iron add warmth and personality. A separate guest suite, accessed via an exterior staircase from the patio, provides privacy for visitors. The elegant driveway, olive trees, water features, and orchard create the feel of a miniature finca.

The landscaped garden is a true highlight, with a pool framed by rose beds, flowering shrubs, and the fragrance of jasmine and lavender. Fruit trees are tucked away in a quiet corner, adding to the sense of Mediterranean abundance.

Additional features include two covered parking spaces, full fencing around the property, and convenient access—just a 5–6 minute drive into Estepona. Along the way, you'll find a gym, small supermarket, and restaurants.
