Francesc Macià 10

A new development of Apartments for sale in Turó Park, Barcelona

OVERVIEW

Francesc Macià 10, a Swiss designed icon in the heart of the city

Designed in the 1960s by Swiss architect Marc-Joseph Saugey, a contemporary of Le Corbusier. The distinctive façade of this former office block is now a listed feature of the city. Revitalised by award-winning neo-modernist architect Marcio Kogan, Francesc Macià 10 marks a new era for this architectural masterpiece.

A peaceful retreat in the heart of Barcelona, the residences are surrounded by curved floor-to-ceiling windows with 180 degree panoramic views over the neighbourhood. The property comprises seven light and spacious 600 square metre full floor apartments and one 1,200 square metre duplex penthouse. Francesc Macià 10 also works with world class architects who create uniquely designed interiors down to the very last detail.

From a dedicated health and fitness area, to a five-star concierge team, Francesc Macià 10 offers a variety of exclusive and on-demand residential services. This includes 24-hour security and concierge service, six secure underground parking spaces per apartment, a 20m swimming pool, spa and treatment rooms, a gymnasium and a wine cellar.
