Apartment of 248 m² according to land register, of which 149 m² (142.34 useable m²) correspond to the interior. It is located in a building with twelve neighbours in the Gavà Mar residential area, with direct access to the beach.

Arranged on two levels, the apartment is accessed through a 10 m² hall. It has two bedrooms (previously three) with fitted wardrobes: a 23 m² suite with a 2 m² dressing room and a complete bathroom with a 3.6 m² shower and a 16 m² double bedroom. The property also has a guest bathroom with a small bathtub, as well as a spectacular 84 m² open living room with an open kitchen and south orientation, 10 m² of which correspond to the kitchen, 16 m² to the dining room and the rest to the living room.

The floors are natural wood, except in the bathrooms, which are ceramic. It has large iron radiators with gas heating and split air conditioning in the bedrooms. The joinery is PVC.
