OVERVIEW

Excellent 5-bedroom family home with a garden for sale in a fantastic location in Castelldefels.

Fantastic detached house with a garden and 409 m² plot for sale in Castelldefels.

The property has an ideal location. It is located just 280 metres from the British School of Barcelona, a ten-minute walk from Castelldefels beach, a five-minute walk from the Club Esportiu with a heated pool, five blocks from the Olympic Canal and four blocks from the Rugby Stadium and 350 metres from the Andrés Gimeno Tennis Club, in addition to the fact that the Garigot School and the Municipal Nursery are located within the neighbourhood. This property is also close to public transport, in addition to RENFE and various buses on the C-31 highway, Avenida de la Pineda and Avenida del Canal, from the neighbourhood there is bus 99 that goes directly to the airport.

It is a very bright stately-style property with beams, stoneware floors and light colours that give it a lot of freshness. The house also stands out for having an excellent layout, with spaces that are easy to keep in order. Likewise, it is almost completely updated and has separate guest accommodation, currently used as an office and DIY workshop.

On the ground floor, we find a bright living-dining room with large windows that connect with the covered porch. On this level we also have a guest toilet, a living-dining room and a spacious kitchen with access to a patio, perfect for enjoying family breakfasts.

On the first floor, three bedrooms with wardrobes await us: two doubles with access to a small terrace and one single that is currently used as a study or reading room. A complete bathroom serves these rooms.

The guest house consists of a bedroom with a complete bathroom, dressing room/office and access to a large terrace.

Outside there is a barbecue area and an oven and the property is suitable for pets with a specific area for them.

Finally, the house has a parking space in the courtyard for several cars, two of them under a shed and a storage room/DIY workshop and the vehicle entrance door is monitored, with remote control.
