5-bedroom house for sale in Montemar, Barcelona

Beautiful and charming 370 m² corner house with 5 bedrooms, garden and pool for sale close to nature, in Montemar, Castelldefels.

Beautiful corner house of 370 m² built on a 750 m² plot. It is located in one of the greenest areas of Montemar, surrounded by nature.

This house has a special charm for its bohemian-style decoration, its layout and spaciousness, as well as the feeling of peace and comfort it offers. It was built in the early 80's by a German architect.

We enter the house through the main floor and come to a hall that leads to a spacious and cosy double-height living-dining room on the right, with its fireplace and large windows that allow abundant natural light to enter all day. This space opens onto a terrace that communicates with the garden and the pool. On this floor, there are also two double bedrooms, including the main one with a complete bathroom, dressing room, access to the terrace and the garden.

On the other side, we have a picturesque guest toilet, with a style of the 60s, like the other bathrooms in the house, which reaffirms the personality of this house. Next, an imposing open kitchen is presented, with a laundry space with access to the rear garden. Here, there is an outdoor space that serves as a summer dining room and chill-out area.

The first floor houses the night area with three double bedrooms with built-in wardrobes. One of them has access to a terrace with beautiful 180 degree views. The plant is completed with a large bathroom and a sauna.

On the lower ground floor, there are two large multipurpose rooms that can be used as storage, a play area and even one of them as a bedroom, since it has a lot of light with windows that face the outside. At the back we find a large closed garage for two cars, with a space for a workshop.

In the outdoor area we find a garden that surrounds the house, a swimming pool and a very relaxing chill-out area with an Ibiza style.

This house has a special touch that does not leave anyone indifferent, it is very well arranged and has a lot of customization potential, to adapt it to your taste.
