OVERVIEW

Beautiful recently renovated corner penthouse of 94 m² with spectacular sea views and swimming pool for sale in El Poal, Castelldefels.

We present a beautiful corner penthouse located on the third and last floor of a very well-kept community in the residential neighbourhood of Poal, surrounded by nature, in Castelldefels.

The apartment was recently renovated, it faces south, it has natural light all day and has a very good layout.

We enter the property and we find a hall. On the right-hand side, there is a first room that is currently fitted out as a dressing room, although it could be used as a single bedroom or office. On the left, we find a large, modern and equipped kitchen. From here, we have access to a laundry space.

We continue moving towards the incredible open and very comfortable living-dining room, with a large window that gives access to an L-shaped terrace, with a chill-out space and a summer dining room, with dreamlike views of the sea, the mountains and the neighbourhood. From the living room, we access the master bedroom with its private bathroom with a bathtub.

On the other side of the house, we have the night area with bedrooms, one currently used as an office, and a complete bathroom with a bathtub.

The penthouse has parquet floors, new electrical installation and osmosis system. It has heating by radiators and air conditioning in all rooms.

In addition, it enjoys a storage room and a parking space, as well as access to the community area with an events room and a large swimming pool.

It is a charming house for its panoramic views, its light, spaciousness and for the perfect condition in which it is presented. Ideal for a family as a first or second residence, who wants to live in such an exclusive area between sea and mountains.
