OVERVIEW

Exclusive duplex penthouse with a large terrace with private Jacuzzi and sea views for sale just 20 meters from Castelldefels beach.

Excellent duplex penthouse recently renovated with high quality finishes, ready to move into, located a few steps from Castelldefels beach in a building built in 2007 with only two neighbours and four in total in the community.

This excellent home covers 161 m² distributed over two comfortable floors. It has a large terrace with sea views and a private Jacuzzi, underground parking, a large storage room, and a communal pool.

We go up to the apartment by a private staircase and we appreciate the great natural light of the apartment, thanks to its large windows in all rooms and an excellent sunny aspect. The ground floor houses a living-dining room with floor-to-ceiling windows and a semi-open kitchen fully equipped with fitted Bosch appliances. This has a sliding glass door to separate the spaces. Finally, there is a double bedroom with its private bathroom with a shower.

On the first floor, we find two bedrooms (one double and one single), a bathroom with a bathtub and a large terrace with a private jacuzzi and a view of the sea. The terrace has an electric awning that covers it completely, so you can enjoy the space at any time of the day.

The property enjoys an excellent position that allows you to enjoy natural light throughout the day. In addition, it has marble floors and electric shutters in all rooms, double glazing with additional insulation, heating by radiators and air conditioning.

The building has a large underground parking space for several vehicles and a large storage room. The community is very quiet and only has four neighbours.

An excellent opportunity for families looking for a first or second residence, or for those who want to live near the sea and all services in a well-connected area in Castelldefels Playa.
