The first floor houses four charming bedrooms, two doubles and two singles. The luxurious main bedroom with its private bathroom is included. In addition, there is another full bathroom on this floor, designed to meet the needs of the rest of the residents.

The second floor surprises us with a versatile and spacious multipurpose room, ideal for adapting to different needs, such as an additional bedroom , games living room or any other space of your choice. This floor also offers two large solarium terraces on both sides, measuring 15 and 25 m² respectively, where you can enjoy panoramic views and moments of relaxation.

Additional features include marble and stoneware floors that enhance the elegance of the spaces, electric shutters in the living room, radiator heating to keep the home warm in winter and built-in wardrobes.
