Excellent 5-bedroom house for rent in Gavà Mar, Barcelona

Luxury villa with 5 bedrooms, garden and pool for rent in an exclusive development, on the seafront of Gavà Mar.

Luxury villa located in the beautiful and exclusive development of Bonavista Beach in Gavà Mar. This high-end complex confers the incredible sensation of living in a house that blends effortlessly with the surrounding landscape. Here, there are no limits between the external beauty of the surroundings and the internal beauty of your home. In addition, it benefits from a family-friendly neighbourhood made up of an exclusive international community, with business executives and high-performance athletes.

The villa has a modular architectural design, with a great fluidity between interior and exterior spaces. Although it is recently built, it was renovated to improve and expand different spaces such as the terrace and the dining room to make it unique.

The house is accessed through the ground floor, by a path that crosses the garden that surrounds the house. The villa is distributed over three floors, plus the basement with a private garage with capacity for two cars. An interior lift connects us with all the floors. In total, there are five bedrooms with private bathrooms, two of them master suite with dressing room and access to the terrace.

At the back, there is a private pool and a chill-out area with barbecue next to the garden.

The materials used are in keeping with its high standing with Listone Giordano floors in French oak, a sublime kitchen from the Bulthaup brand with a central island and Gaggenau appliances. In addition, for greater comfort, it includes underfloor heating and air conditioning. It comes fully furnished with designer furniture.

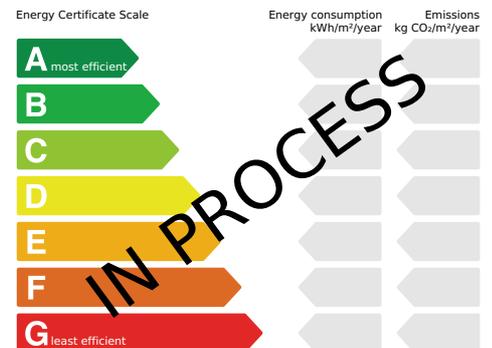

For the convenience of its residents, it offers a large community area with a sports court, gardens and security service with 24-hour guards, every day of the week.
