OVERVIEW

This fantastic estate is divided into 5 homes, a pool area, a farm with stables and an idyllic setting.

Rural farm of the nineteenth century located in a fantastic environment, just 30 minutes from Girona and 25 minutes from the beautiful beaches of the Costa Brava. It has 6.6 hectares of land: 4,600 m² correspond to the garden with a swimming pool that surrounds the house, and the rest, to cultivated land.

The property is divided into 5 residences, each with its independent entrance, an outdoor space to enjoy the panoramic views, with the majority of bedrooms with private bathrooms, kitchens with fireplaces and spectacular rooms with high ceilings.

Exterior buildings allow the space to continue growing. Among them, we find a porch of approximately 125 m², which is ideal for group dinners, a workshop area of 200 m² attached to the one of the houses (which needs restoration), a building that needs total refurbishment, in the pool area and the farm with stables, perfect to continue having animals on the farm.

Due to its large size, independent spaces and excellent communication, this property is ideal as a rural accommodation business.

This house is equipped with oil heating, air conditioning, 3 wells that supply the farm with water and a septic tank that has been reviewed annually to date.
