OVERVIEW

Magnificent century-old farmhouse on a 50-hectare private plot with incomparable panoramic views for sale in the heart of the natural park in Baix Empordà, Girona.

This magnificent century-old farmhouse is located in the middle of a natural park with incomparable panoramic views and is surrounded by a large expanse of land between fields and cork oak, pine and holm oak forests, which make a total of approximately 50 hectares.

The main farmhouse of 670 m² is very well oriented to the sun, protected from the winds, and is distributed over two comfortable and spacious floors. In general it is in a very good state of conservation, although it needs a complete renovation. In addition, it preserves the original architectural elements of the time, which give the house great added value.

A short distance from the farmhouse is the old barn, which complements it perfectly since it can be used for various purposes, such as a guest house, porch and summer dining room, among others.
