OVERVIEW

Spectacular contemporary style villa for sale in a privileged area, with wonderful views of the town and the sea, in Baix Empordà, Girona.

This spectacular villa is located in one of the privileged areas of Baix Empordà, known as Empordanet, on top of a hill, which offers wonderful views of the town and the sea.

It was built in 1977 by the prestigious architectural team Baca y Pericot, on a 3,446 m² plot, which is completely fenced. It has a garden, a small forest of pines and oaks and a swimming pool, from where you can enjoy unique sunsets due to its excellent southwest orientation.

The noble area of the house is distributed over a comfortable floor. We find a pleasant living room with a fireplace and large windows that offer abundant natural light, along with the complete dining room and the summer porch with barbecue, ideal for hosting a large family. The entire space offers access to the exterior porch. In addition, there is a kitchen with a dining area, pantry, terrace, guest toilet, ironing room and four double bedrooms with private bathroom.

On the lower floor, there is a garage area with capacity for three cars, a machine room, a wine cellar, a storage storage room, a games room and an ensuite bedroom, ideal for guests.

On the upper floor, we find a square-shaped tower that surprises with its spectacular panoramic views of the Empordanet plain on its southwest side and the Medes Islands on its northeast side.

An exclusive property unique for its construction quality, its impressive views and its excellent location in one of the most prestigious medieval towns in the Baix Empordà.
