OVERVIEW

Exclusive 3-bedroom villa with contemporary design and views over the golf course at Camiral Golf & Wellness Resort, Girona.

Designed by Jaime Prous Architects and located overlooking Tee Box 5 of the Stadium course in the south-west of Camiral Golf & Wellness complex, the property offers unique views of the world-class golf course and Vallcanera forest. The elegantly angular architecture brings the outside in, integrating the property effortlessly into the surrounding nature.

The 3-bedroom villa makes the most of the Mediterranean light thanks to open plan interiors and floor-to-ceiling windows. An interior patio filled with aromatic plants helps define the space and enhance the luminosity.

Perfect for family living and entertaining. The pure and clean lines of the property blend to create a harmonious home filled with light and colour.

The property offers a unique opportunity for golf players to acquire, in addition to the purchase of the house, two exclusive Right-to-play memberships, price upon request.
