Excellent 2 Bedroom apartment for sale in Barri Vell, Girona

Medieval charm, contemporary design: exclusive apartment for sale in the Barri Vell, Girona

This exclusive apartment, fully restored by a renowned local architect, is located on the famous Argenteria street, in the heart of Girona's old town. The project presented a unique architectural challenge: the restoration of an apartment built around the walls of an old alleyway, respecting its history and original structure while incorporating modern comfort and design solutions.

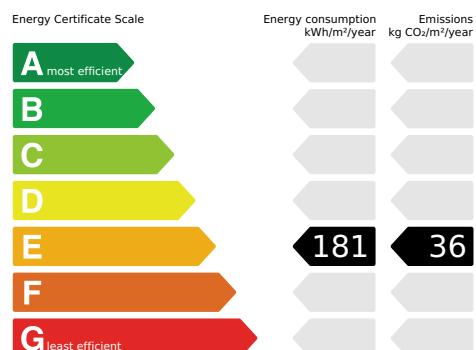

The property offers unique views of the Onyar River, allowing you to enjoy the life of the old town from a privileged perspective. Its proximity to the Pont de les Peixeteries Velles, a red bridge designed by Gustave Eiffel in 1877, adds unparalleled historical and visual value, making it an iconic and instantly recognizable landmark.

Every detail of the apartment reflects the architect's sensitivity and mastery, combining quality materials, natural light, and a functional layout that makes the most of the space, making this property a perfect urban gem for both living and investing.
