Mas Pigem – a historic fortified estate with over 900 years of heritage, for sale in Camós

Mas Pigem is a fortified 11th–12th century estate in Camós near Girona. Featuring authentic medieval architecture and noble heritage, it offers a rare opportunity for a private residence or unique boutique project.

Mas Pigem is not simply a property, but a living testament to history. Set in the peaceful landscape of Camós, just minutes from Banyoles and the city of Girona, this remarkable fortified estate dates back to the 11th and 12th centuries, when it was designed as a strategic site that brought together defensive strength, agricultural activity, and noble life.

Documented in historical records such as the *Arxiu Històric de Girona*, the estate is deeply rooted in the legacy of the Arnau–Llinàs noble lineage, adding a distinguished cultural and historical value.

The architecture remains strikingly authentic, with original stone walls, defensive towers, Gothic windows and grand interior spaces that reflect centuries of evolution. Over time, the property transitioned from fortress to refined noble residence, preserving its character while adapting to more sophisticated living standards.

Today, Mas Pigem offers a unique atmosphere. Its scale, authenticity and setting make it ideal as an exceptional private residence, a boutique hospitality project or an exclusive events venue.

A truly rare asset in today's market, where history, character and potential come together.
