OVERVIEW

A new development of elegant apartments for sale in a renovated historical building in Eixample Right, Barcelona.

This magnificent new development is strategically located at the heart of Barcelona's coveted Eixample Right neighbourhood.

The building has been artfully refurbished to add modern comforts and contemporary design to the existing historical character along with its listed turn-of-the-century façade, a classic example of early twentieth century Eixample architecture.

The building's lobby is bright and airy, with fresh white marble and a glazed light well that illuminated the communal spaces very effectively.

The development offers a variety of property types, most of which have terraces and all boast high quality finishes and exclusive design features, including a ground floor duplex with its own garden, various 2 and 3-bedroom properties, 2 penthouses on the seventh floor and the stunning Grand Penthouse which occupies the entire top floor. The properties range in size from 113 m² to 327 m².

Properties overlooking Carrer Girona boast six large, symmetrical windows, while the properties overlooking the rear of the building have large windows looking out over the former mill and the peaceful interior city block. All properties have large windows and enjoy abundant natural light.

Highlights

- Fantastic location in the sought-after Eixample Right area
- Various property types
- Many properties with terraces
- Bright, contemporary interiors
