OVERVIEW

A new development of Apartments for sale in Gràcia, Barcelona with a starting price of €775,000

Lucas Fox presents Grassot Residences, an exclusive new build development six elegant homes. This residential complex is located on the coveted Grassot Street, in the heart of the Gracia neighbourhood and just minutes from the Sagrada Familia and Paseo de San Juan.

We have two exceptional ground floor duplexes for sale, distinguished by their contemporary design, spacious open spaces, and carefully thought-out layout to offer comfort, functionality, and light in every corner.

Each property has 94 m² of interior space spread over two floors, with two bedrooms, two complete bathrooms, and a study area. The main floor houses a bright dining room living room with an open kitchen, which connects to a stunning 50 m² private terrace with a garden and pool, a perfect oasis for enjoying the Mediterranean lifestyle. This floor also includes a bedroom and a full bathroom. On the upper floor is the master suite, with a private bathroom, dressing room, and views of the exterior, as well as a practical study or study area.

The homes have been built with high-quality finishes and selected materials. They feature large-format laminate vinyl flooring, kitchens equipped with Balay appliances and Neolith countertops, ducted air conditioning systems, and dual-flow mechanical ventilation with heat recovery. The exterior enclosures with thermal break and motorized blinds guarantee optimal thermal and acoustic insulation.

The development combines sophisticated design with a strategic location in one of Barcelona's most desirable areas, well connected and with a wide range of amenities, shops, restaurants, and cultural venues just steps away.

Grassot Residences represents a unique opportunity for those seeking an exclusive property with private exterior space and a pool in a vibrant and established urban setting.
