OVERVIEW

Sleek 5-bedroom villa with stunning city and mountain views, for sale close to Ibiza Town.

Completely renovated to an extremely high standard throughout, this beautiful modern villa sits in manicured gardens on a large plot in lush surroundings.

The property takes advantage of an elevated position that presents sweeping views over the mountains and city. This is a very quiet area, but is just a few minutes' walk from Jesús and very close to other amenities.

The gardens have perfect lawns, fruit trees and a wonderful pool terrace which is itself overlooked by various sheltered or open seating, dining and chill-out areas that include a large dining terrace and summer kitchen/barbecue.

Inside, the house is bright, open and flooded with natural light thanks to clean lines, white walls and large doors and windows. Everything is in pristine condition inside and out thanks to the no-compromise renovation.

One of the ground floor bedrooms has a balcony, while the stunning master suite takes up the first floor and includes its own huge roof terrace.

Full home automation makes life easy and there is plenty of parking to the side and rear of the house.
