OVERVIEW

Stunning 5-bedroom villa with a garden, pool, garage and several terraces with sea views, for sale in San José.

This exclusive semi-detached villa is located in San José, an enviable location just five minutes from the beach. The villa was built in 2006 and fully renovated in 2018 to the highest standard. This wonderful property stands out for its modern design, spacious and bright rooms decorated in light tones, excellent outdoor space and incredible terraces overlooking the sea. In addition, a legal process is underway to add the 96m² basement-garage to the registered surface area of the property.

Accessing the property through an automated steel door, we find a lovely garden full of trees: a wonderful green space with a swimming pool surrounded by wooden decking and a lawn with sea views.

The ground floor consists of a 2-car garage, a utility room and two double bedrooms with en-suite bathrooms, which could be used as guest bedrooms.

On the lower level we find a very spacious bedroom-office with abundant natural light.

The impressive day area is on the first floor and comprises an open kitchen fully equipped with high-end appliances, a separate pantry and a guest toilet. This level is completed by an impressive living-dining room with enviable sea views and access to a sunny terrace with unbeatable views.

The second floor includes three large bedrooms and two bathrooms. The incredible master bedroom has a small but practical dressing room and a private bathroom with a bath. Two of the bedrooms share a large terrace overlooking the sea and a modern chill-out area ideal for relaxing and spending time in the company of friends and family.

Finally, on the roof, there is a fantastic terrace with 360-degree mountain and sea views featuring a 100-year old olive tree. This space, probably the most outstanding part of the property, is the perfect place to sit and admire the sunset.

The property is equipped with air conditioning, double glazed windows and an alarm system to ensure total comfort.
