OVERVIEW

Property located in an oasis of peace and tranquility in a privileged location a few steps from Cala Nova, Cala Llenya and San Carlos.

The house enjoys a private and natural setting, with a beautiful garden of palm trees and native plants, in harmony with the surrounding pine forest. The area offers nature trails, and the beach of Cala Nova is just 10-15 minutes' walk away.

The property has been renovated with a Mediterranean style. The use of rustic and natural materials and colours, and the fine interior and exterior finishes make this an idyllic place.

The property has 3 independent buildings:

The main house consists of 2 double bedrooms, an office that can be used as a third bedroom, a bathroom, a fully equipped kitchen that is open to a living-dining room with a wood-burning stove. This spacious and bright room offers views of the pool and tropical garden.

The two attached houses have the same standards of quality and aesthetics, overlooking the beautiful pool.

One of them consists of living room, kitchen, double bedroom, bathroom and porch. The other consists of a family bedroom with a double bed, a bathroom, a kitchen and a living room with direct access to the porch. In both annexes, the decoration and furniture are of high quality with a pleasant aesthetic harmony.

The property also has parking space in carport. All houses have their own heating system (oil-fired).

The location, style and harmony of the Ibizan nature, combined with a native and tropical garden, make this exclusive house a true oasis of peace where you can enjoy the charm of one of the most beautiful parts of the White Isle.
