€2,500,000 House / Villa - Sold

Plot with building licence and finished project for a villa for sale in Can Furnet, Ibiza

Plot with licence and finished villa for sale just minutes away from Ibiza town.

The elegant minimalist villa project covers 500 sqm plus a basement, built on a plot of 1,300 sqm.

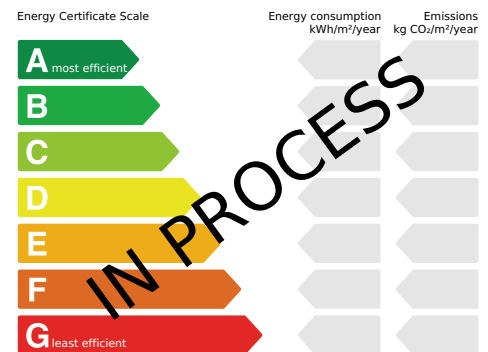

The villa consists of 5 bedrooms, one of which is located on the first level with access to the garden, and another one next to the 12 metre swimming pool that ends exactly at the living room, giving the feeling of being on the water. There is also a chill out area.

The house was designed to create an open space between the living room interior and large outdoor terrace in which the garden wraps around the villa.

The project offers the possibility to change only the interior spaces according to the buyer's preferences.
