OVERVIEW

Beautifully designed 4-bedroom villa in a natural setting, walking distance to Cala Tarida beach, Ibiza.

We are proud to present this state-of-the-art villa by the world famous architect, Jaime Romano's studio located on a beautiful 22,000 square metre wooded area, 5 minutes away from Cala Tarida beach.

The property consists of a concrete structure with wooden elements, beautiful contemporary design, with 4 en-suite bedrooms and a large living space opening to outdoor chill-out areas and an inviting swimming pool.

Perfect as a family home or as a second residence, the "Es Rasus" villa finds itself in a peaceful leafy setting, with a partial sea view and easy access to one of the most beautiful white sand beaches of Ibiza. Also, its west orientation maximises the sun and light exposition.

There is still possibility to your personal touch through interior design and finishes.

This project is fully authorised, building works starting march 2022, and completion expected in Sept 2023
